WALTHER STRONG®

Walther Strong Cleanroom Tape is designed for professional applications where precision, cleanliness, and safety are essential. Its specialist adhesive removes cleanly from both hard and soft internal surfaces, eliminating time consuming cleanup and reducing labour costs.

Now fire retardant and suitable for outdoor use, this tape offers exceptional versatility across construction, joinery, arts, and craft projects. The unique ribbed design allows it to be torn by hand, straight and cleanly, without knives or scissors.

CORREX SHEETING

Holds sheets in place during construction and renovation

TEMPORARY PROTECTION

On delicate surfaces that can't be damaged

INTERNAL WINDOW PROTECTION

During renovation or plastering

- Fire retardant
- Electrical insulator up to 600V
- Residue free removal
- Unique easy tear ribbing
- RoHS certified, meets COSHH
- Repositionable
- Writable surface
- Won't peel paint
