Protection of metalwork during painting

Walther Strong Premium Masking Tape is a tough, general purpose masking tape which is ideal for everyday jobs. The revolutionary hybrid adhesive means that it removes clean from a variety of surfaces after up to 14 days.

The tape has excellent adhesion on wood, glass, plastic and metal. It has a very good tensile strength making it ideal for masking, bundling, holding and packing.

It is UV resistant making it ideal for high quality painting and decorating finishes. It is fast becoming the professional painter and decorator's first choice.

This specialist Walther Strong Masking Tape delivers all the premium qualities without the premium price tag.

Always test the surface before use.
