Designed for protection whilst rendering internally or externally

Walther Strong RenderPro Tape is uniquely designed to meet the needs of professional contractors.

This tape is widely used internally or externally on:

- PVC
- Timber
- Brick
- Aluminium frame
- Cederal cement boards
- Stone
- Concrete
- Cardboard
- Tiles
- and many other surfaces.

Walther Strong RenderPro Tape has been designed with the renderer and the applications surrounding this market in mind.

The product needed to be tough, waterproof, very strong, leave no residue and stick to multiple surfaces and stay put.

Walther Strong RenderPro Tape adheres to rough surfaces holding plastic sheeting and paper in place. It is a tough carrier to resist abrasion and is water resistant.
