- RenderPro® - Residue Free - Exterior Tape 50MMx55M White

AVAILABLE IN STORE OR ONLINE

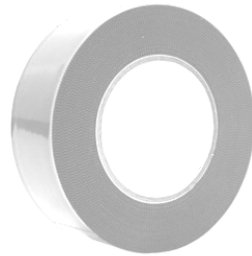

Walther Strong RenderPro® Tape is uniquely designed to meet the needs of professional Rendering contractors. It can be used internally or externally on PVC, timber, brick, aluminium frame, cedar cement board, stone, concrete, cardboard, tiles, and many other surfaces.

RenderPro® Tape adheres to rough surfaces holding plastic sheeting and paper in place. It is a tough carrier to resist abrasion and is water resistant.

Applications: Rendering, Construction, Plastering, Temporary Protection & GRP Roofing
