Air conditioning duct jointing

Walther Strong Ultimate sturdy cloth-reinforced duct tape can be torn from the roll and sticks instantly. It provides numerous solutions including patching, bundling, reinforcing, tabbing, taping/splicing insulation, capping pipe, securing conduit ends, marking, labeling, temporary repair, hanging polyethylene sheets and protecting against light sandblast overspray. It has also been tested and used for asbestos removal sealing.

Designed and manufactured to be mould and water resistant, Walther Strong Ultimate Duct Tape's strong formulation adhesive is perfect for more demanding applications and the Easy Release coating helps minimise waste.

Tip: Our Ultimate Tape is ideal for demanding applications in the construction, electrical HVAC, industrial, marine, and plumbing markets.
